"John ran the most perfect warehouse I had ever experienced or seen. Of the many hundreds of employees I dealt with in three companies over 30 years as an executive, I never came across a person with stronger traits of character, honesty, effectiveness, leadership, work ethic, loyalty and downright humanity as John."
~ CEO Elliot Bloom

PROFILE

Accomplished, award-winning warehouse manager

CAREER OVERVIEW

Background featuring 24 years of productivity, professionalism and consistent performance. A proven track record in creating an efficient and productive work environment while maximizing organizational savings. Respected for initiative, worth ethic, attitude and problem-solving ability. Considered a foundational "building block" employee who produces excellence day in and day out. Awarded a record number of promotions to increased positions of responsibility.

KEY STRENGTHS
