Dear Hiring Manager,

In today's customer service oriented society, timely, friendly, proactive service is sought to enhance future business growth. Customer loyalty is always impacted when you employ the right service professional to represent you when assisting your valued customers.

My experience in the service industry has taught me how to meet and work with the costumer's expectations. I realize that acquiring and maintaining loyal repeat business as well as spreading the word of your business is of the utmost importance in every company.

I'm very good in a well related work place and can work in a good steady pace.

It would be a pleasure to interview with you and I look forward to hearing from you soon.

Very Sincerely,

Virgen Flores
