Education:

Union College, Schenectady, New York
B.S. in Biology, 2010

Work Experience:

Social Case Worker, B-Healthy LLC, Bloomfield, CT

September 2010 – October 2010

- Planning and supervision of visits for foster children with their biological families in accordance with the Department of Children and Families protocols.
- Successful reunification of three cases.

Intern, Comprehensive Breast Center at Baystate Medical Center, Springfield, MA

June 2009 – September 2009

- Reviewed patient files to locate patients qualified for various breast cancer trials.
- Maintained trial files and appropriate paperwork.

Student Medical Research Assistant, Baystate Children's Hospital, Springfield, MA

June 2008 – September 2008

- Published findings, "The Relationship between Local Food Sources and Open Space to Body Mass Index in Urban Children", in Public Health Reports in 2011.
- My work involved gathering of relevant research information and data to incorporate into the paper as well as data analysis.

Practice Associate, D'Amour Center for Cancer Care, Springfield, MA

June 2007 – September 2007 & January 2008

- Performed clerical duties including running the busy reception desks, filing, answering phones, confirming appointments, and observing various clinical duties of oncologists, including office visits, bone marrow biopsies, chemotherapy and radiation treatments

Biology Laboratory Assistant, Union College, Schenectady, NY

September 2006 – December 2007

- Created microbiological growth medium for experiments in classes and general maintenance of laboratory.

Summer Camp Counselor, Jewish Community Center, Springfield, MA

June 2006 – August 2006

- Planned activities for group of 20 children and responsible for the well being of each camper.

Medical Related Experience, Volunteer Experience:

Volunteer, Baystate Medical Center Emergency Department, Springfield, MA

February 2011 – Present

- Over 120 hours assisting the E.D. patient advocates and nurses in preparation and delivering of patient meals and assisting patients' family members.

Research Assistant, National Counsel of Research (CNR), Palermo, Sicily, Italy

March 2009 – June 2009

- On a science term abroad, I was able to join a Chronic Obstructive Pulmonary Disease research group, learning and applying various research techniques and performing my own experiments as well.

Volunteer, Lutheran Social Service of New England, West Springfield, MA

June 2005 – August 2005.

- The Lutheran Social Service helped my family when we came to America and there, I was able to assist new immigrants with finding jobs, homes, clothes, furniture and other necessities.

Student Ambassador Program Participant, Baystate Medical Center Springfield, MA

June 2004 – August 2004

- Discharged patients, stocked rooms and performed other tasks requested by the nurses.
- A great first experience of a hospital setting and was able to observe multiple surgeries as well.

Honors, Accomplishments:

President, Union College Club Hockey Team, Schenectady, NY

2009-2010 Season

- The Club Hockey Team was the largest club on campus with over 50 registered members and a budget of \$32,000.
- My duties were to schedule transportation to games, assist in scheduling games, and manage the budget and paperwork for every player.
- I was also a player on the team for three seasons.

Union College Scholar, Union College, Schenectady, NY

September 2006 – June 2010

- Accepted into the Scholars Program upon admission and graduated in the program as well, which allowed students a heavier and more challenging course load.

Skills:

Published Author in Public Health Reports, Volume 126, Issue #6, November/December 2011.

Academic laboratory experience, including 20 weeks of organic chemistry, 10 weeks of microbiology and 10 weeks of work at the National Counsel of Research (CNR) in Palermo, Sicily, Italy.

Fluent in all Microsoft programs.
